ANNUAL SUBSCRIBERS.

The Board is very gratified to see that there is a steady annual income from Annual Subscriptions, the total sum received from this source during 1936 being £947/4/2.

As the outgoings are necessarily increasing yearly, owing to increased number of beds, etc., the Board very much hope that the Annual Subscriptions to the Hospital will be maintained at, at least, £1,000 per annum, and they would appreciate the names and addresses of likely subscribers.

Your kind attention is again drawn to the form of agreement which can be entered into by individual Annual Subscribers by which the Hospital can recover Income Tax on these contributions without any additional cost to the subscriber. A copy of the form appears with the list of Annual Subscribers.

DONATIONS.

Receipts from donations show a slight decrease, the amount for 1936 being £512/9/1—a decrease of £79/4/1 compared with 1935, this is more than accounted for as an Anonymous donation of £84 was received during the previous year. In recording its warmest thanks to all donors, the Board wishes to refer specially to the larger contributions, as follows :—

ENTERTAINMENTS.

The Board is very sorry to report a serious decrease in the amount received from this source, a source that only a few years ago realised as much as £377. This year only £142/19/7 was realised.

Whilst the Board is most grateful to all those who have been responsible for this sum it is hoped that every parish served by the Hospital will promote at least one entertainment during the coming "Coronation Year." The principal amounts were received from the following :—

	£	s.	d.
McAlpine Cricket Knock-out Competition Committee ..	100	0	0

All persons who are disposed to contribute by Will to this Charity are requested to do so in the following manner :

Form of Bequest.

I give and bequeath (specify the property, as, e.g., " The sum of £ , " " £ consols"; or " My house (or lands) known etc.") free of duty, to the Treasurer for the time being of the Wrexham and East Denbighshire War Memorial Hospital (add in case of bequests of personalty) " whose receipt shall be a good discharge for the same " for the purpose of the said Institution.

£500 will endow a Cot.

Particulars relating to the Endowment of Beds can be obtained from the Secretary.

If any Supporter of the Hospital wishes to make a present or thank offering in kind, the Secretary will furnish a list of some of the pressing needs.

WORKMEN'S CONTRIBUTIONS.

Under this heading the income received from the employees of the industrial community of Wrexham and District amounted to £6,060/14/10 as compared with £5,275/14/4 in 1935, an increase of £765/0/6. The Board of Management is fully alive to the value of this regular source of income which amounts to 39 per cent. of the whole.

TRADESMEN'S FUND.

The receipts for the past five years are as follows :—

1932.	1933.	1934.	1935.	1936.
£ s. d.	£ s. d.	£ s. d.	£ s. d.	£ s. d.
812 12 0	838 7 6	910 3 1	930 0 9	902 19 2

These figures show that whereas there has been a steady increase in the amount received each year since the inception of the scheme up to 1935, there has been a decrease of £27 in 1936. The Board feels most strongly that this source of income should increase materially every year in a growing district like ours.

Those desirous of joining this scheme may communicate with the Secretary, who will be pleased to supply particulars.

HOSPITAL SUNDAY.

It is gratifying to note that the total sum collected for the Hospital in the various Places of Worship amounted to £185/13/7. The Board records its sincere appreciation to the Clergy and Ministers of the various Denominations and to the Officers and Congregations for this splendid financial help.

MAYOR'S SUNDAY.

The excellent sum of £125/3/3, a record for many years past, was raised on the occasion of the official visit to the Parish Church and Zion Welsh C.M. Chapel, of His Worship the Mayor (Alderman Cyril O. Jones). The Board tenders its warmest thanks to His Worship in thus assisting the Institution.

ENDOWMENTS AND LEGACIES.

The Board is most grateful for the following special contributions to the funds during the year :—

	£	s.	d.
The Walter Roberts Amateur Pantomime Company "Babes in the Wood," 1936 .. (Endowment of a Bed).	1,270	0	0
The Wrexham Carnival Committee 1935, towards Endowment of a Bed	420	0	0
The Wrexham Carnival Committee, 1936, towards Endowment of a Bed	325	0	0
The Late Miss Elizabeth Rathbone, 82, Erddig Road, Wrexham—Legacy	20	0	0
The Late Miss L. Alcock, 33 Percy Road, Wrexham—Legacy	10	0	0

Under this heading special reference must be given to The Walter Roberts Amateur Pantomime Company for once again coming

to our assistance. The "Babes in the Wood" production brought in the munificent sum of £1,270, only £10 less than their record sum raised in 1935. The total sum raised by the Company since its inception is no less than £15,828, and the Board records its warmest thanks and cordial acknowledgments to everyone connected with the Pantomime Company.

Further the Wrexham Carnival Committee has handed us two cheques during the year, £420 being the result of its efforts in 1935 and £325 the amount raised by the Carnival held in September, 1936. The total amount received from the Carnival Committee has now reached the sum of £3,055, which sum endows three Beds. The Board gratefully acknowledges the efforts of the Carnival Committee and records its sincere appreciation to all those ladies and gentlemen associated with the events.

LINEN LEAGUE.

The Ladies' Linen League has again this year achieved a great success and fully maintained its fine record of previous years. By the efforts of its members the Institution has been saved an expenditure of £170 for linen, blankets, etc. This was made possible as a result of a Sale of Work organised by the ladies which was held in July and realised the sum of £127/8/2. In addition the League has been responsible for collecting 21,468 fresh eggs during the year. The Board extends its grateful thanks to the ladies for their very valuable help.

SAMARITAN FUND.

The Board records its thanks to the Samaritan Fund Committee for its valuable work year after year which is so well known to many of the patients of the Hospital.

WM. AND JOHN JONES CONVALESCENT HOMES.

The Board would like specially to thank the William and John Jones Convalescent Homes' Trustees for their kindness in granting Hospital patients priority for admission to The Rhyl and Minera Convalescent Homes; 125 patients were admitted to these Homes from the Hospital during 1936.

WIRELESS APPEAL.

Through the courtesy of the B.B.C. a Wireless Appeal was broadcast by His Honour Judge Sir Thomas Artemus Jones, K.C., and as a result donations amounting to £62/14/6 were received. Those who were privileged to hear Sir Thomas Artemus Jones' eloquent and impressive appeal very gratefully appreciated his services in this respect to the Hospital.

GENERAL THANKS.

So many friends have helped the Board that it is difficult to enumerate them all, but it would like specially to thank :—

The energetic body of ladies who again organised a "pound day" and the result of its efforts assisted the Hospital by gifts in kind to the value of approximately £50; to the Wrexham Division St. John Ambulance Brigade who have carried out the valuable work of transportation of patients to and from the Hospital voluntarily during

the year ; the many donors who have forwarded gifts in kind ; all those who have sent parcels of silver foil, especially the children ; and the Press for descriptive reports on the Hospital's work.

EXPENDITURE.

The total gross expenditure was £15,371/18/9 as compared with £15,311/6/8 in 1935, of which the total *ordinary* expenditure was £14,763/13/8 compared with £13,998/1/9 in 1935, an increase of £765/11/11. There is now an accumulated deficit on the Working Account of £1,046/19/4 compared with £966/8/3 in the previous year. However it must not be overlooked that the number of beds has been increased from 109 to 124. The Board would point out that by increasing the Hospital beddage the expenditure will increase, and to meet this annual additional cost it must look to its subscribers and donors for increased annual support in the future.

OBITUARY.

It is with deep regret the Board records the deaths of Mrs. F. Meredith-Jones, Mrs. G. T. Guest, and Mr. Holford Harrison during the year. They had for many years taken the keenest interest in the affairs of the Institution.

HON. MEDICAL AND SURGICAL STAFF.

The work done by the members of the Honorary Medical and Surgical Staff has been exceptionally heavy and they have performed their voluntary duties with great care and have evoked the admiration not only of the Board but also of the many patients treated by them.

With one exception the personnel of the Honorary Staff is unchanged. Owing to the resignation of Mr. John Morley, F.R.C.S., necessitated by his promotion to Professorship of Surgery at Manchester Royal Infirmary, a vacancy occurred, this was filled by the appointment of Mr. H. F. Woolfenden, M.D., F.R.C.S., Surgeon to the Royal Infirmary, Liverpool, as Honorary Consultant Surgeon.

NURSING AND ADMINISTRATIVE STAFF.

Once again the Board wishes to record its cordial thanks to the Matron, Miss E. M. Keeley, Nursing Staff, Radiographer and all other employees of the Hospital for their loyal co-operation and interest in the welfare of the Hospital.

NURSES' MEDALS AND PRIZES.

The Chairman's Gold and Bronze Medals and Special Prizes given by Mrs. Geoffrey Williams, Matron, Dr. John Reid, Dr. Harry Jones, Dr. Eric Evans and Miss Graham (Sister-Tutor), were won by the following Nurses :—

FUTURE EXTENSIONS.

In December the attention of the Board was drawn to the difficulties under which the X-Ray Department, a department rapidly

increasing in usefulness, had been working for some considerable time. This department lacks adequate waiting rooms, dressing rooms, etc., etc. A suggestion was made that the two houses in Grove Park Road which were unoccupied, should be converted into an X-Ray Department, Massage Department and Fracture Clinic. This would relieve the present congestion in the Out-Patient Department. The raising of sufficient money for these proposed alterations offered great difficulty, however the Walter Roberts Amateur Pantomime Company has once more come to the rescue, and has very kindly promised that the proceeds of the forthcoming Pantomime "Mother Goose" shall be given towards the raising of funds for this specific object. Further that if the cost of the conversion exceeded the sum raised at the forthcoming Pantomime the proceeds of a future Pantomime should be given for this purpose as the promoters were most anxious that the cost of these alterations should be met by the efforts of the Walter Roberts Amateur Pantomime Company. The Board is greatly indebted to the Company and records its gratitude for this kind promise to finance the scheme.

Further under this heading the Board has recognised for some time that the Hospital accommodation is still inadequate especially as regards medical beds and this will entail either alterations to the existing buildings or the erection of new wards. Whilst no funds are available for this capital expenditure, the Board feels that it must meet its obligations in this respect and must adopt a progressive policy in the confident belief that it will receive the approval and support of the public especially during 1937 to commemorate "Coronation Year."

THE CHAIRMAN'S REVIEW.

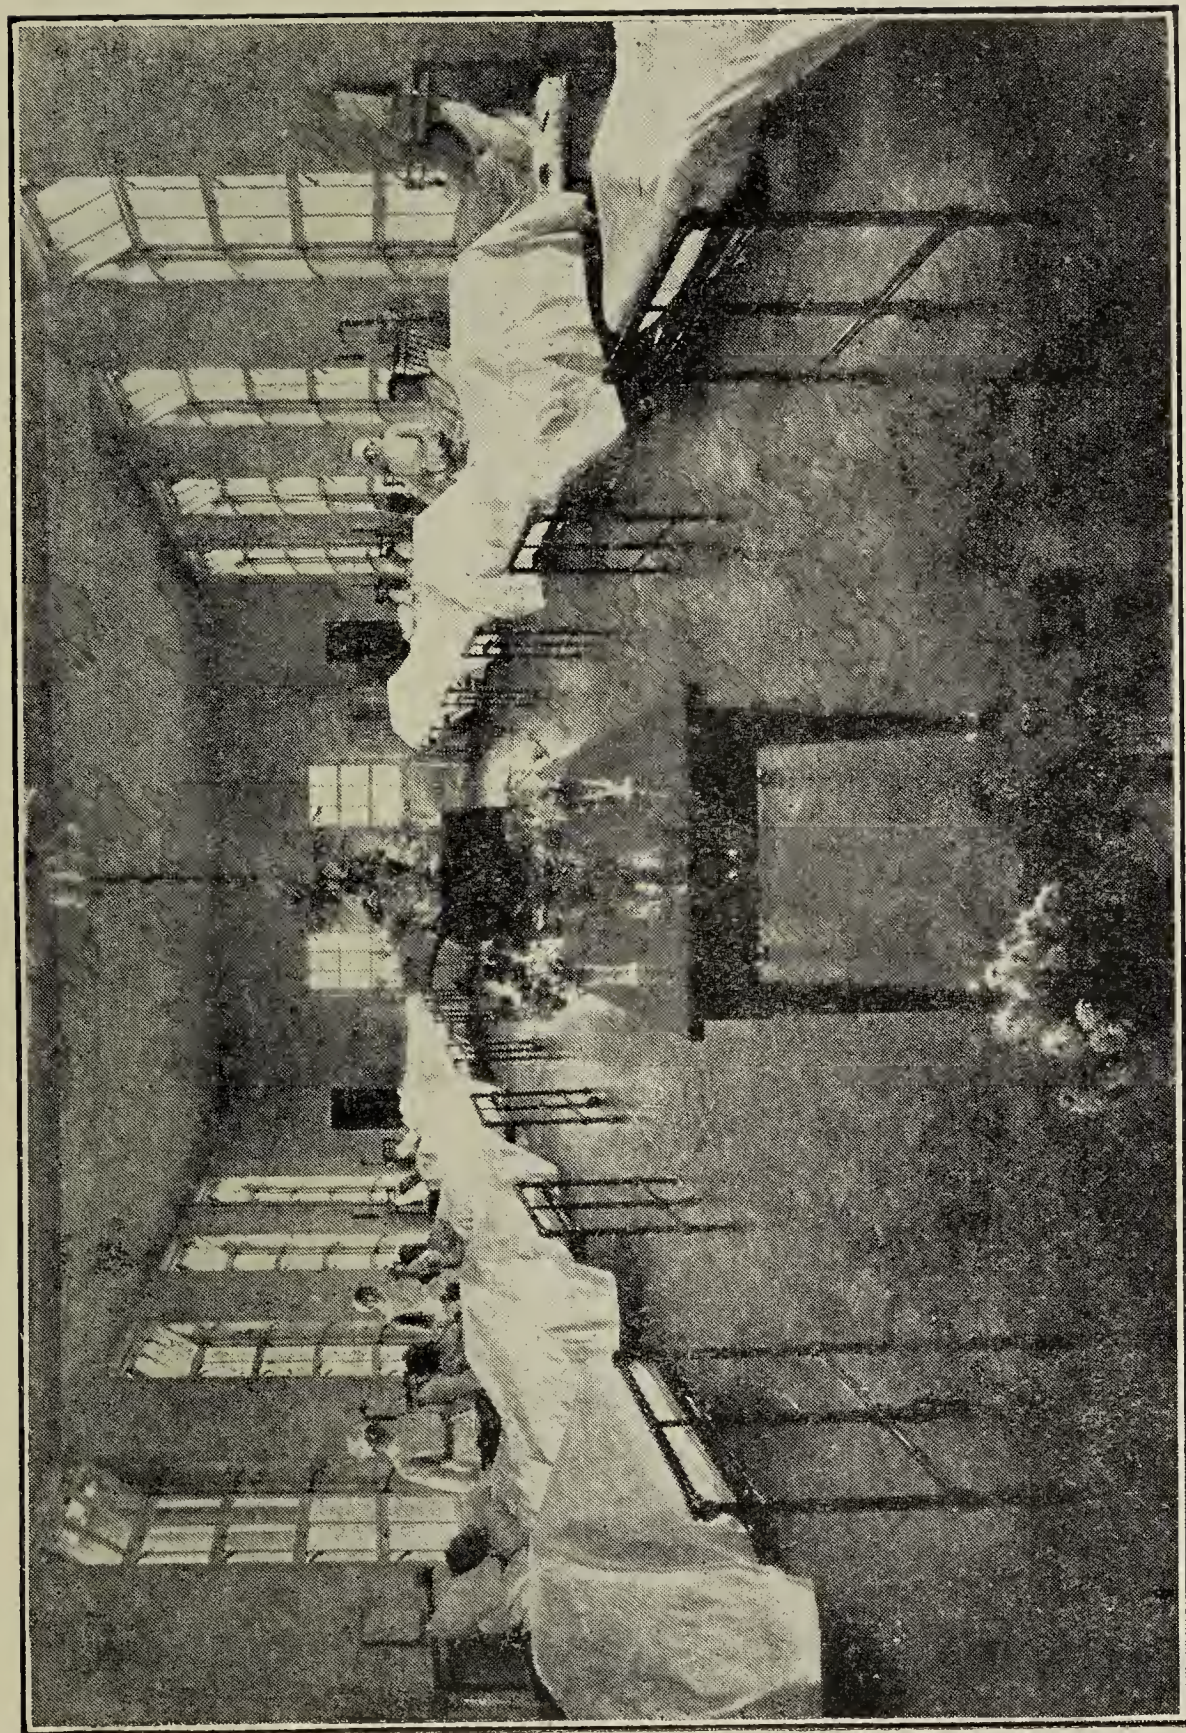

In moving the adoption of the Report and Statement of Accounts, copies of which you have, I am glad of this opportunity to give you a short resume of the work of the Hospital during the last year ended December 31st, 1936. Before doing so, however, I should like you to refer to the end of the ordinary receipts and payments Account, there you will see that our total income for the year was £15,291 and our total expenditure £15,371. We have spent, roughly, £600 more during 1936 than we did in 1935. This increased ex-

penditure is easily explained by the fact that fifteen beds have been added to the Ear, Throat and Nose Department with the necessary added cost for maintenance. You will notice, towards the end of the Report the statement that the average cost per bed per annum was £126/9/3 and the reason that these 15 beds have only added approximately £600 to the total expenditure for the year is due to the fact that these particular beds are chiefly used for very short periods, for patients suffering from enlarged Tonsils and Adenoids and the maintenance cost is far less than for ordinary beds in the general wards. Of one thing we can be quite sure and that is that this extra expenditure is more than justified as the Department concerned is doing some very fine work.

On the whole I think we can quite reasonably congratulate ourselves on our financial position, as far as ordinary receipts and payments account is concerned. In fact I think our position will compare favourably with any Hospital of this size in the Country.

However, the Board of Management finding themselves in this more or less satisfactory position have no intention of patting themselves on the back and resting on their laurels. Progress is their ambition now, as it has been in the past, and so to maintain this progress the Board have kept a watchful eye on all the Departments of the Hospital with a view to finding the weak spots, so that they can be remedied if possible. Two Departments are in urgent need of attention, two of the busiest Departments in the Hospital, *viz.*, the Out-patient Department, where there were 27,381 attendances in 1935 and 28,488 last year; and the X-Ray Department which dealt with 3,650 cases in 1935, and 3,961 last year. The Out-patient Department was well able to deal with the patients attending there at the time the Hospital was opened but to-day it is not and this equally, if not more so, applies to the X-Ray Department. More Consulting Rooms and more Dressing Rooms are needed in the Out-patient Department and the X-Ray Room needs an adequate waiting room, dressing rooms, examination rooms and sunlight treatment room. The Board of Management have carefully considered and approved a scheme for an entirely new X-Ray Department, which will also include a Massage Department and Fracture Clinic, and incidentally there is a great advantage in having these three Departments under one roof. The removal of these two latter Departments, the Massage Room and Fracture Clinic, will give more room in the present Out-patient Department and allow additional consulting and dressing rooms; and in addition to this we shall have a more up-to-date X-Ray Department which will be far better able to deal with the ever increasing numbers attending there. The cost of this Scheme has been estimated at, approximately, £2,000, a large sum and one that would naturally take a lot of raising, but once again, as they once did in the days of the Old Infirmary, in Regent Street, our very good friends, the Walter Roberts Pantomime Company, have come to the rescue and they have promised, with the money raised at the last Pantomime and, if necessary, future ones, to foot the bill for this very necessary Hospital improvement. Knowing as I do the really urgent need for this improvement, I cannot too strongly stress our gratitude to the Pantomime Company.

The completion of this Scheme will, I am sure you will agree, form a very fitting Coronation Year Memorial. But our pressing needs do not end here, it is becoming more and more evident that we must provide more medical beds. I can give you three reasons for this.

[ALGERNON SMITH.]

PANTOMIME WARD.

Photo by]

Firstly, there are undoubtedly at all times many cases in the neighbourhood of people suffering from ailments that could and would be better treated in an Institution than at their own homes, cases requiring specialised nursing—Pneumonia, Rheumatic Fever to mention but two. Up to the present paucity of medical beds has made it impossible for us to cater for many of these cases.

Secondly, the Hospital was inspected during last year by a representative of the Nursing Council. The Hospital was very favourably reported on but it was pointed out to us that to retain our status as a Nurses Training School we must allocate at least 33% of our beds to medical cases. To do this with our present beddage we should have to use some 20 surgical beds for medical cases. With the constant pressure on our surgical beds we cannot possibly do this and to lose our status as a Nursing School would be nothing short of a disaster.

Thirdly, we have lost our position as the largest Hospital in North Wales and the addition of a few more beds would put us again in the position that the largest town in North Wales should certainly hold.

I sincerely hope that during the current year we shall be able to find room for these urgently needed beds. I am very glad to have this opportunity of thanking our many staunch friends for their continued support and hard work on our behalf. I have already told you what the Walter Roberts Pantomine Company intends doing for us. The Carnival of 1936 realised the handsome sum of £325, and the Carnival Committee have now endowed three beds. I am very pleased to be able to report that another Carnival will be held next Autumn.

Our grateful thanks are due to the Directors of the Llay Main Collieries Ltd., and the Ruabon Coal and Coke Co. who have given us the handsome donation of £200, this is £100 more than they kindly gave us in 1935.

To the Press we owe a special debt of gratitude for valuable publicity. The Board of Management are fully alive to the value of this publicity so freely given.

The Ladies' Linen League continue to give us valuable help, having presented linen to the value of £170 for use in the Hospital; this is £100 more than they gave us last year and they have collected for us 21,468 eggs.

The Pound Day Committee have again helped us by collecting commodities to the value of approximately £50.

The Board of Management wish me to thank all these good friends on their behalf and also the host of well-wishers who have so generously subscribed to our funds.

I suppose I cannot sit down without making some reference to that hardy annual, the Nurses' New Home. £736/8/10 was subscribed last year towards the liquidation of the debt on the Home, leaving, approximately, £8,000 still owing. Unfortunately only a comparatively few of the works have seen their way to subscribing towards the cost of the Home, but to those works that have given us

and are giving us their loyal support, support which is entirely voluntary, we owe a very heavy debt of gratitude. We can but hope that subscriptions to this fund from all sources will at any rate keep to £1,000 a year, if so the long looked for goal will be in sight.

I have great pleasure in moving the adoption of the Annual Report and Statement of Accounts for the year ended December 31st, 1936.

Mr. Richard Davies, Hon. Treasurer, seconding, paid tribute to the work of the Chairman, and said he would like to take the opportunity to congratulate him on the way he led in the administration of the affairs of the Hospital. In Dr. Geoffrey Williams they had a man who had brought the best out of the little band of men and women who spared neither time nor labour for the Hospital's calls, and he was absolutely invaluable—(hear, hear). He prophesied that in the near future the annual income of the Hospital would be £20,000, and they needed that amount if they were to meet the ever-increasing demands, and he appealed to everyone to give their utmost support. Referring to the prospect of a new county hospital, Mr. Davies emphasised the Board's willingness to co-operate in any such scheme. In conclusion he referred to the Christmas envelope appeal, organised by the Secretary, which had meant a great deal of additional work for Mr. Leslie Spencer and his staff, and which had up-to-date realised the magnificent sum of £112/7/6—(applause).

HONORARY MEDICAL STAFF.

Proposing a vote of thanks to the honorary medical staff, Mr. F. Meredith-Jones said they had a medical staff to be proud of and which did splendid work voluntarily—(hear, hear).

Miss Allington-Hughes, Gresford, said it gave her very great pleasure to second the vote of thanks to the medical staff, because she appreciated they were an extraordinarily busy band of workers. On behalf of all the patients who had been in the Hospital during the year she thanked them from the bottom of her heart for all they had done—(applause).

Responding, Dr. Glyn Evans said his colleagues and himself very much appreciated the expressions of thanks, and they in turn wished to thank the Matron and Nursing Staff for their fine work.

ELECTION OF PRESIDENT AND VICE-PRESIDENTS.

Mr. R. E. Guy proposed, and Mr. H. E. Crease seconded the re-election of Sir Alfred D. McAlpine as President, and the following were elected Vice-Presidents :—Mr. F. Meredith-Jones, Sir Neville Cunliffe, Bart., Mrs. Godfrey FitzHugh, Mr. Walter Roberts, Miss K. Allington-Hughes, Mrs. Arthur E. RE - ELECTION OF TREASURER.

The Mayor (Alderman Cyril O. Jones) moved, and Mrs. F. W. Morris seconded, the re-election of Mr. Richard Davies as Honorary Treasurer.

RE - ELECTION OF AUDITORS.

On the motion of Mr. Joseph Wilson, seconded by Mr. Frank Jones, Messrs. E. Noel Humphreys & Co. were re-elected Auditors.

NURSING STAFF, Etc.

The Chairman proposed a vote of thanks to the Secretary and his staff and the Matron and her staff, and said they gave astonishing service to the Hospital. The Matron had had a very difficult time this winter owing to the epidemic of influenza, but she had overcome the difficulties splendidly, and not allowed them to interfere with the efficiency of the staff work. Mr. Spencer was not only an accurate and extraordinarily neat book-keeper, but he threw his heart and soul into the task of raising money for the Hospital in every conceivable manner, and his staff backed him up ably—(hear, hear).

Mr. Richard Davies seconded and the motion was carried.

The meeting concluded with a vote of thanks to the Chairman for presiding, proposed by Mr. Richard Davies and seconded by Mr R. E. Guy.

Ladies' Linen League.

REPORT FOR THE YEAR ENDED 31st DECEMBER, 1936.

The League has had a very successful year. At the Annual Meeting last year it was brought to the notice of the members that, owing to the Board of Management of the Hospital having increased the number of beds, the wear and tear of the Linen, and the demands on the League have been larger than our income, from both Investments and Subscriptions. It was proposed that (1) a Sale of Work be held in July, (2) that Members should give an Annual Subscription (3) that new Members be asked to join. It is very pleasing to be able to report that all these proposals have met with a good response. Our subscription list is much enlarged. Many new members have joined and the Sale of Work held in the Hospital grounds in July in conjunction with the Nursing Staff had the whole-hearted support of the district with the excellent result that £127/8/2 went to the funds. We are most grateful to all who helped, especially to the Nursing Staff for their valuable assistance. Also to the organiser of the tennis tournament, the refreshment committee, fortune teller, stall-holders and the Men's Committee for the side-shows, and to Mrs. F. W. Morris who opened the Sale, and Mr. Bate, the Chairman; also to the Conservative Trip for a collection of pillow cases. The result was so successful that it has been proposed to have a Sale every two years.

The Annual Presentation of the Linen to the Hospital was held on April 7th. In the unavoidable absence of the Chairman, Mr. Spencer received the Linen and gave some very interesting facts about the League since its beginning. Tea was afterwards provided by Mrs. F. W. Morris.

Once again our thanks are due to the collectors and donors of Eggs, full details of which are printed on the leaflets for the Annual Appeal. The result was again excellent and amounted to 21,468 Eggs. The work is very greatly appreciated by the Hospital. During the year the League has supplied the following :—

- 87 pairs of Blankets.
- 12 Brown Rugs.
- 146 Pairs of Sheets.
- 122 pairs of draw sheets.
- 5 doz. white Counterpanes.
- 3 doz. pink Counterpanes.
- 22 doz. Pillow Cases.
- 4 doz. Children's Pillow Cases.
- 50 yards natural flannel.
- 5 yards grey flannel.
- 24 yards Hessian.
- 25 yards Winceyette.
- 4 doz. Anaesthetic Cloths.
- 12 Dressing gowns (men).
- 18 lbs. Knitting Wool.

Conservative Trip—Pillow Cases.

The League suffered a very great loss by the death of Mrs. Guest. Our sympathy has already been expressed but I think it is only right that an appreciation of her help and kindness for many years should be recorded in the Annual Report. Whilst thanking all Members for their work and support we hope they will continue it in the future, as the need is always present.

GREEBA WILLIAMS,

Hon. Secretary.
